Verse 1

G D/G C/G
You are the stone that the builders rejected
G D/G C/G
A rock of refuge where my pride is broken
G D/G C/G
A sure foundation when the sand is sinking
G
Where we are built upon like living stones

C G
There is no one else like You
C G
There is no one like You Lord
C Em
There is no one else like You
C G D G

G D/G C/G
G D/G C/G
When from the cross You to the depths descended
G D/G C/G
The hosts of hell conspired to make You captive
G D/G C/G
But every chain of sin and death You've broken
G
And triumphed over by Your might power

(Repeat chorus)

No One Like You Lord

Bridge

I want to run the race You've set before me
Even to share in the suffering of the cross
That I might gain the prize for which You called me
To be with You Son of Man and Son of God
To be with You Son of Man and Son of God

Verse 3

Then from the earth You to the heights ascended
Where You are seated at Your Father's right hand
Forever pleading for the souls You've captured
Forever watching as You call us home

(repeat chorus 2 times)
